

THE WRANGELL SENTINEL

VOL. XVIII. NO. 25

WRANGELL, ALASKA, THURSDAY, JUNE 12, 1919

PRICE TEN CENTS

GRAND JURY WILL INVESTIGATE THE WHISKEY SCANDAL

SEATTLE—The Superior Judges of Seattle have called a grand jury to investigate the court house and other whiskey scandals.

SEATTLE—Twenty men were drawn yesterday for grand jury service.

SEATTLE—There is a great scramble here among some prominent men to get out of the city ahead of the grand jury. A few of them have been subpoenaed as witnesses but others are breaking records in their flight from the city.

Telegraphers on Strike

CHICAGO—Telegrapher's strike pulled at seven o'clock this morning. Koenekamp says 60,000 are out. The telegraph companies claim that the number is greatly exaggerated and that they are not seriously crippled.

Root Testifies

WASHINGTON—Elihu Root, testified unexpectedly yesterday before the Senate Treaty Leak Investigation Committee that he has had a copy of the peace treaty for two weeks. He said he got it from Henry P. Davidson, a New York banker and partner of J. P. Morgan. Root appeared before the committee as a voluntary witness. "All diplomatic secrecy ended when the Germans published the treaty," said Root. "I therefore resent any suggestion that I have not a right to have the treaty and use it as I see fit, as I propose to do."

Injured in Winnipeg Riot

WINNIPEG—Corporal Frederick George Cappin, winner of a Victoria cross, was probably fatally injured when dragged from his horse by strike rioters. Two ribs were broken and he was kicked many times on the head by members of the crowd who objected to the appearance of returned soldiers who have replaced the police force.

LONDON—Bolsheviks have captured Ufa, which was recently taken by Kolchak after three days of sanguinary fighting.

PARIS—Kolchak's reply to the Allies' offer of conditional recognition of his Omsk government constitutes a refusal of practically all the conditions laid down by the peace conference.

WASHINGTON—The Senate passed the Kellogg bill for repeal of the law authorizing Government control and operation of telegraph, telephone and cable wires.

LONDON—A Bela communication in reply to a message from Clemenceau agrees to stop hostilities with Czecho-Slovaks.

PARIS—The labor crisis which was suspended over the Pentecostal holidays are acute again.

NEW YORK—Brandeis arrived today to sail for Palestine.

ANACORTES—A floating cannery of the Olympic Fisheries company has left for Alaska, in the tow of the tug Hero. The craft is carrying 15 white workers and the rest of the crew made up of Japanese and Chinese cannery hands.

GERMANY'S PROPOSALS ARE FLATLY REFUSED

PARIS—The reply to counter proposals of the Germans will contain a flat refusal of their request for a mandate for former German colonies. An agreement has been reached on the reparation clauses to the effect that no definite sum to be paid by Germany will be fixed in treaty and that question would be left as in the original draft.

PARIS—It is believed here that the reply to German counter proposals will not be ready for delivery before late Saturday night. Five days has been definitely fixed as the limit within which the Germans must decide upon their course.

Jefferson Sails

SEATTLE—The Jefferson sailed at 9 Tuesday morning with 120 passengers including six excursionists and 13 Orientals for Cape Fanshaw. Wrangell passengers are: W. D. Grant, Mrs. F. C. Barnes and two children, Carl and Alma, Florence Irwin, Ted Hall, Mrs. Charles Loveless, Elizabeth Loveless.

A Second Cable to Manila

WASHINGTON—Senator Jones introduced a bill yesterday proposing an appropriation of \$500,000 for an investigation of routes for a second cable to Manila. The Secretary of War, Secretary of Navy, Secretary of Commerce and the Postmaster General are to direct the inquiry. The bill provides that \$8,000,000 for laying the cable will be available when the route is finished. Senator Jones said that though a northern route via the Aleutian Islands is not specified in the bill, he hoped it would be adopted.

ST. GERMAIN—Renner has forwarded to the Allies his first note protesting against the terms of the treaty.

ATLANTIC CITY—A resolution has been introduced proposing that the American Federation of Labor go on record as against war time prohibition and in favor of excluding two and three-quarters per cent beer from the provisions of both war time and national prohibition.

LONDON—Communist government will be proclaimed in Austria Sunday with promise of immediate success. According to information in government circles here, 40 per cent of the Austrian army is Bolshevik. The Communists are expected quickly to align themselves with Hungarian Communists.

Wm. Hood is now giving out pennies in making change, and in consequence thereof all the mints in the United States are working overtime turning out pennies.

Miss Katherine Bronson is in Seattle en route home. For the past two years Miss Bronson has been a member of the faculty of Brearley's Private school for girls in New York City.

Senator James R. Heckman will leave Ketchikan this month for a tour of Alaska fulfilling an ambition of 20 years. Senator and Mrs. Heckman will leave down the river from White Horse, going to Nome and returning to Fairbanks. From Fairbanks a trip will be made over the Richardson road to Valdez. From Valdez the senator will go to Anchorage and out the line of the Government railway. Senator Heckman has spent 23 years in the North but has never visited the Interior.

ADMINISTRATOR FOR THE SULZER ESTATE

A petition was filed this morning in the office of William T. Mahoney, United States commissioner and ex-officio judge of probate, asking that H. R. Raffleson, of Sulzer, Alaska, be appointed administrator of the estate of the late Charles A. Sulzer. The petition was filed by A. H. Zeigler, acting for Mrs. Sulzer.

Mr. Raffleson is located at Sulzer, Alaska, at the property of the estate and he will be able to look after its affairs in better shape than someone farther removed from the mine.—Times.

In a recent issue of "The Young Soldier," a 20-page magazine published at Toronto, the entire front page was given to a picture of Miss Mary Worthington of Wrangell, who is a junior worker in the Salvation Army, and a daughter of Sergeant-major Chester Worthington of the Wrangell corps. In the picture Miss Worthington is wearing a Chilkat blanket. It is becoming a common occurrence for the likeness of some Wrangellite to be published. Last month the Star-Bulletin of Honolulu contained a large cut and a column write-up of Captain Ray Ready who is now Master of the U. S. Bureau of Fisheries vessel, "Murre" whose home port is Wrangell.

F. E. Shangle, Rolla Shangle and wife, Earl Shangle and Edgar Batzner have returned from the head of the Iskut where Rolla Shangle has been trapping for the past month.

John T. Towers is in town this week from his mining property on Kupreanof Island at the head of Duncan Canal. When called upon by the Sentinel reporter Mr. Towers stated that thus far his efforts have been confined to road building. A road about three miles in length is required in order that ore may be transported from the mine to the water's edge. One and one-half miles of the road have been completely corduroyed and finished at a cost of about \$7,000. Mr. Towers has arranged for a larger crew of road workers, and expects to have the road completed in 90 days. Shipment of ore can begin as soon as the road is ready for traffic. The road which Mr. Towers is building will also open up a valuable section of timber.

Miss Irene Coulter will leave on the Glenora this week for Deweyville where she will spend the next three months. Miss Coulter spent last summer at Deweyville.

Mrs. W. W. McLaughlin will leave Saturday for Snohomish, Washington where she will spend a few weeks visiting her parents.

Mr. Lynch Improved

J. G. Grant yesterday received a cablegram from E. P. Lynch stating that he was out of the hospital and expected to return to Wrangell on the first boat.

For the shave and haircut of satisfaction go to Ed Grigwire's shop, opposite drug store.

Harry Eastman is now in Prince Rupert.

Mr. and Mrs. James Shaffner and Miss Marjorie Shaffner left this morning for Karheen where they will remain during the summer.

Have your watch repaired at George Cowan's, in the Uhler Block.

Hon. E. J. White, publisher of the Douglas Island News made the Sentinel a fraternal visit Friday morning.

Harold Dawes, former publisher of the Wrangell Sentinel, was aboard the City of Seattle yesterday en route from Chicago to Juneau. Mr. Dawes recently returned from overseas where he had been for almost a year in the service of his country.

Wesley Sornberger is putting a new roof on the Patenaude store building. Last week the building was given a new foundation. If Mr. Patenaude keeps up repair work a week or two longer he will have an entire new building.

Neil Grant left on the Admiral Evans Sunday for Tacoma where he will attend the Commencement exercises of the Anna Wright Seminary. His sister, Miss Margaret Grant, is a member of this year's graduating class from that institution.

Wrangell Local No. 10, Alaska Labor Union, has rented the building on Front Street next to Fanning's taxidermy establishment, which was formerly occupied by Judge Wm. G. Thomas as an insurance office.

Mr. and Mrs. A. C. Whitney of Petersburg are very happy over the event of the birth of their first child, a beautiful nine-pound boy, born in the Wrangell hospital under the care of Dr. A. Brown, June 7th, 1919. Both are doing well. The father will be a happy one when he sees his fine son.

Burkhardt's cannery at Chilkoot was totally destroyed by fire of mysterious origin Sunday night according to a message received today from Glenn Bartlett, of the Hotel Gastineau at Juneau, by E. C. Howard, of the Stedman Hotel, of this city. The fire started in the box factory of the cannery plant.—Ketchikan Times.

Ed Grigwire's dandruff treatment is the best on the market. Try it and be convinced.

OSCAR CASE RETURNS

Oscar Case returned on the City of Seattle yesterday from overseas to the delight of his parents and many friends in Wrangell.

Oscar was in Wyoming when war was declared. Within less than a month he had joined the colors. From the date of his enlistment his one desire was to get to France, but he was kept in a training camp at San Antonio, Texas, for more than a year, and the war was nearly over before his wish was realized. However, he reached Europe in time to be 45 days at the front. After the signing of the armistice he was with the Army of Occupation in Germany for a short time. During the past six months he has had enough experiences to keep his memory busy for the rest of his life.

The Sentinel joins with Oscar's many friends in Wrangell in welcoming him home most cordially.

Mrs. N. J. McNurney of Petersburg is visiting Mrs. Mabel Matheson.

St. Philip's Guild will meet next Wednesday at the home of Mrs. K. Talmage.

Donald Sinclair was a passenger to Juneau on the City of Seattle yesterday.

Miss Olive LaBounty is now employed by the St. Michael Trading company.

W. D. Grant will arrive home tomorrow from a short trip to the States.

R. L. Cole, the canneryman of Deweyville, was a visitor to Wrangell Sunday.

Mrs. L. G. Traver, youngest daughter of John Fanning, arrived on the City of Seattle yesterday from Akron, Ohio.

Wm. Patterson returned on the City of Seattle yesterday morning from a short business trip to Ketchikan.

Huno Hoyer, superintendent of the Beauclair Packing company at Port Beauclair, was a business visitor to Wrangell yesterday.

E. L. Cobb of Juneau arrived on the Glenora yesterday from a trip to Craig. He left for Juneau on the City of Seattle yesterday forenoon.

Miss Elsie Moore returned on the City of Seattle yesterday from Seattle where she spent the winter. Miss Moore will spend the summer at Deweyville.

Mrs. Clarence Lawrence left on the City of Seattle yesterday for Petersburg where she will visit with her parents, Mr. and Mrs. A. Johnson.

Forrest Grigwire, son of E. F. Grigwire, arrived on the City of Seattle yesterday from Portland. Mr. Grigwire enlisted for military service shortly after war was declared, but like many others was disappointed in not getting to go overseas.

Mrs. Fred Wigg, Miss Grace Wigg and Gertrude Osborn left on the City of Seattle yesterday for Petersburg where they will spend the summer, during which time Miss Wigg will be employed in the store of the Wheeler Drug company.

R. M. Surratt who came north a few weeks ago to visit his son, Richard Surratt, left on the Admiral Evans Sunday for his home in Eureka, California.

NOTED ENGINEER COMING

Prof. Wilcox of the U. S. Bureau of Mines will make an Economic Geological Reconnaissance of Kupreanof Island and Vicinity.

Professor E. R. Wilcox who, during the past year, has been Research Fellow in the U. S. Bureau of Mines, University of Washington, will arrive in Wrangell as soon as his duties there are completed, about June 16, to join John T. Towers on Kupreanof Island. Mr. Wilcox will spend the coming summer making an economic geological reconnaissance of Kupreanof Island and vicinity.

The U. S. Geological Survey renders much valuable assistance to miners and prospectors in their work in Alaska, but it is out of their province to make detail surveys and define commercial values. This work is for the individual company or operator, and it is such detail work that Mr. Wilcox is to undertake this summer. The expense for doing this work will be borne by Mr. Towers and his associates.

Mr. Tibbs Talks

(Ketchikan Times)

"We must have better mail service and better transportation facilities if we are to go ahead," said C. E. Tibbs of Craig who is in Ketchikan on business. "At present we have no means of shipping our products to the states and no assurance that we will have. We are a small but growing community and we must look to Ketchikan for assistance."

At the present time the shipping facilities on the west coast amount to nothing, except for such companies as may have boats of their own. It is imperative, they say over there, that steps be taken at once, either with a view to having the transportation companies give them better facilities, or to securing some other means of transportation.

Business men of Ketchikan agree that it is of the utmost importance that something should be done as it means quite as much to the town as it does to the people of the West Coast.

Recently a commercial club was organized at Craig in order that all might unite in their efforts to obtain the desired improvements in conditions.

Union to Publish Newspaper

(Ketchikan Times)

Announcement is made by the Alaska Labor Union, that a referendum vote will be taken on the proposition of starting a labor paper in Ketchikan. The members of the organization are asked to vote as to whether it shall be a daily, a weekly or bi-weekly sheet. They are also asked as to the amount of money they will subscribe toward getting it started.

George Elton Barnes, agent for the Standard Oil company at Wrangell is the proud father of a baby son, born in Petersburg on May 31st. Mr. Barnes himself is a Wrangell born boy.—Petersburg Report.

A good lead of ore has been struck at the Saltchuck mine near Ketchikan at the end of a tunnel which taps the vein at a depth of 300 feet. The vein is said to be rich in copper, paladium, platinum, gold and silver, and is about 15 feet in thickness. In addition 35 feet of ore carrying values, but of lower grade has been encountered, according to the Ketchikan Times.

will be imposed.

Sec. 3. Said tax of Five (\$5.00)
Dollars, as specified in Section 1
of this Ordinance shall be due and
payable between the first Monday

Monday in the month of August in

Sec. 6. On demand of the School
Tax Collector, it shall be the duty
of any person, firm or corporation,
employing labor in the Town of
Wrangell to furnish said collector
with a list of the employees of such
person, firm or corporation, sub-
ject to the tax imposed herein, and
failure, or neglect to comply with

of, shall be punished as provided
in Section 8, Chapter 29 of the
Session Laws of the Territory of
Alaska.

Sec. 7. All taxes shall become
delinquent if not paid within the

within ten (10) days after demand

above described, and each person
delinquent in the payment of his
tax as aforesaid shall be subject to
a penalty of Two (\$2.00) Dollars
in addition to the amount of the
tax.

and, upon conviction thereof, shall

his hands to the Treasurer of the
Territory of Alaska, with a list of
persons from whom collected. Such
statement shall be verified by the
affidavit of the School Tax Collec-
tor to the effect that the same is in
all respects a full and true state-
ment of all moneys received by
him under the provisions of this
Ordinance. After the first Monday
in the month of August in each
year, the School Tax Collector

months, file an additional state-
ment setting forth any taxes and

of its passage and approval.

Passed and approved June 5,
1919. (Signed)

J. W. PRITCHETT,
Mayor.

J. E. WORDEN, Clerk.

French Revolutionary Calendar.
The convention of the French rev-
olution abolished the ordinary calendar
and established a new one, beginning
about the autumnal equinox, with de-
scriptive names for the months. The
present time of year was under that
arrangement the last month of the
year. It extended from August 19 to
September 18 and was called *Fructidor*
(fruit).

ENDED THREE DAYS OF JOY

Privates' Feast of Pancakes Abruptly
Terminated When Officer Got on
to Their Precious Find.

The average soldier "over there"
would trade nearly anything short of
his shootin' finger for a stack of pan-
cakes, according to all reports, which
makes the more interesting a letter
which Edwin S. Whitaker of Irving-
ton recently wrote an Indianapolis
friend, concerning an experience he
and some other of the boys of Bat-
tery E, One Hundred and Fiftieth
field artillery, enjoyed.

They had been moving rapidly—
trying to keep up with the retreating
enemy—when they came on a three-
room shack, which had been the shel-
ter of a German officer. They found
a kitchen complete, with a quantity
of food, ready for preparation, and,
best of all, with a lot of pancake
flour.

For three days the men had all
the pancakes they could eat.

"But all good things seem to come
to an end some time," young Whit-
aker wrote. "After three days an of-
ficer found what a fine thing we had,
and we moved out, to let him estab-
lish himself there."—Indianapolis
News.

NO RETURNS

"I see by our guest book that we
entertained 75 people at our summer
cottage last season."

"Well?"
"Well, we've been home a month
now and not one of them has taken
us to the theater or invited us to
dinner in return."

WOULD MAKE MANY FARMS.

Eleven million acres of "logged-
off" timber land on the Pacific coast
might be reclaimed and used for ag-
ricultural purposes, according to the
statement of Walter H. Graves,
whose appointment by Secretary
Lane as an engineer of the reclama-
tion service was recently announced.
Mr. Graves has been instructed to
make a study of the large districts
of cut-over timber land in the West
for the purpose of determining its
availability, when cleared, for farms
for soldiers after the war. The land
denuded of timber would have to be
cleared of the encumbering logs,
stumps and brush.

The redemption of this vast wil-
derness, it is estimated, would add
\$2,000,000,000 to the farm wealth
of the Pacific states. The cost of
clearing the land would be less than
the value of the land if improved
mechanical devices were used, Mr.
Graves said.

CLEMENCEAU'S BEST EPIGRAM.

Premier Clemenceau, the "tiger
of France," is a newspaper editor,
and in L'Homme Libre he says many
wise things in an epigrammatic way.

Clemenceau's best epigram is said
to be:

"It is easier to go down a hill
than up, but the view is from the
top."

OTHER SIDE OF THE COUNTER.

"Do you mean to tell me that eggs
are 80 cents a dozen?"

"Yes," replied the imperturbable
dealer. "It seems outrageous, doesn't
it, to part with anything so precious
as a dozen eggs for a paltry 80
cents?"

APPROVES ONE WORRY.

"Doctor, do you approve of all
those don't-worry theories?"

"Well, I always like to have my
patients indulge in a little healthy
anxiety about paying my bills."—

Tough Boots for Tough Jobs

Whether you're felling timber, prospecting, or fishing, there's a Goodrich Boot that will carry you farther and last you longer than any other you can buy in Alaska.

It's not made like other boots—it's different, made IN ONE SINGLE PIECE with a sole tough as a tire tread that you'll never need to half sole.

In this ad we show only one style of Goodrich Footwear—the Brown Driver. Possibly you could use the knee-high White Short, the 9-inch high or the White Hip to better advantage. You'll find Goodrich "Hi-Press" prices no higher than for ordinary boots—and Goodrich will last you twice as long.

America's Immortals

Most striking instances of gallantry for which the Distinguished Service Cross has been awarded

The cold language of the official records cannot conceal the thrill that is to be found in every line of each of the little stories that appear below. These stories describe in plain, matter-of-fact language feats of the most unusual heroism performed by members of the American army in France. They are the most notable of thousands of cases of exceptional bravery for which the Distinguished Service Cross was awarded on recommendation of General Pershing.

JOHN C. LATHAM,
Sergeant, M. G. Co., 107th Infantry.

Sergt. Latham was decorated for conspicuous gallantry in action near Le Catelet, France, September 20, 1918. Becoming separated from their platoon by a smoke barrage, Sergt. Latham, Sergt. Alan L. Eggers and Corp. Thomas F. O'Shea took cover in a shell hole well within the enemy's lines. Upon hearing a call for help from an American tank, which had become disabled thirty yards from them, these three soldiers left their shelter and started toward the tank under heavy fire from German machine guns and trench mortars. In crossing the fire-swept area, Corp. O'Shea was mortally wounded, but his companions, undeterred, proceeded to the tank, rescued a wounded officer and assisted two wounded soldiers to cover in the sap of a nearby trench. Sergt. Latham and Sergt. Eggers then returned to the tank in the face of the violent fire, dismounted a Hotchkiss gun and took it back to where the wounded men were, keeping off the enemy all day by effective use of the gun, and later bringing it, with the wounded men, back to our lines, under cover of darkness. His home address is Knotts View, Windermere, Westmoreland, England.

CHARLES W. WHITTLESEY,
Major, 308th Infantry.

Major Whittlesey, the hero of the "go to hell" refusal to surrender, was decorated for conspicuous gallantry and intrepidity in action with the enemy northeast of Binardville, in the Forest d'Argonne, France, October 2-7, 1918. Although cut off for five days from the remainder of his division, Major Whittlesey maintained his position which he had reached under orders received for an advance and held together his command, consisting originally of 403 officers and men of the 308th Infantry and Company K of the 307th Infantry, in the face of a superior number of the enemy during the five days. Major Whittlesey and his command were thus cut off and no rations or other supplies reached him in spite of determined efforts which were made by his division. On the fourth day Major Whittlesey received from the enemy a written proposition to surrender which he treated with contempt, although he was at that time out of rations and had suffered a loss of about 50 per cent of killed and wounded of his command and was surrounded by the enemy. His home is in Pittsfield, Mass.

GRANNIS I. SYVERSON,
Private, Company C, Sixth Machine Gun Battalion, U. S. M. C.

Private Syverson was awarded the Distinguished Service Cross for extraordinary heroism in action near St. Etienne, France, October 3, 1918. When our advance infantry was forced to withdraw, Private Syverson's machine gun crew refused to withdraw, but calmly set up their machine gun. The gun was upset by a bursting hand grenade, which also injured two members of the squad. Despite these injuries they immediately reset the gun and opened fire on the advancing Germans when twenty feet distant, causing the Germans to break and retreat in disorder. Private Syverson's home address is 1208 Sullivan street, Seattle, Wash.

HENRY W. PHILBLAD,
Corporal, 78th Co., 6th Regiment, U. S. M. C.

Corporal Philblad (deceased) was decorated for conspicuous gallantry in action at Blanc Mont, France, October 3, 1918. Corporal Philblad advanced alone on two machine gun nests, which he captured, killing several of the crew with his pistol. Two hours later he again went forward with two other soldiers and was attacking another machine gun nest when he was killed by shrapnel. His home was in Knoxville, Ill.

YOUNMAN Z. WEEKS,
Corporal, Company F, 118th Infantry.

Corp. Weeks was decorated for extraordinary heroism in action near Belcourt, France, September 30 and October 8, 1918. Corp. Weeks, on the morning of September 30, when two enemy machine guns were making a part of the line untenable, advanced across open ground upon one of these guns, rushed the position alone, cap-

tured the gun and five of the enemy and shot down the sixth, who endeavored to escape. By this gallant act, Corp. Weeks prevented the enemy from enfilading our position and thereby saved the lives of many of his comrades. In a later advance while leading his men in an attack upon an enemy machine gun nest, Corp. Weeks was killed. His home was at Colleton, S. C.

FREDERICK M. LINTON,
First Lieutenant, 104th Infantry.

Conspicuous gallantry in action near Marcheville, France, September 25 and 26, won the Distinguished Service Cross for Lieutenant Linton. He volunteered and carried a message from his line to the rear at a time when a heavy barrage and terrific machine gun fire of the enemy had made access almost impossible. When returning he brought up with him a platoon of reinforcements, and led them through the bombarded area. Knowing that the town of Marcheville was in the hands of the enemy, he unhesitatingly assumed the command of a patrol, and led it in a counter-attack against the town, recapturing it, and after being wounded retained control and held his ground until his platoon was rescued under cover of darkness. It was while defending his position that he received a second and fatal wound.

WILLIS P. SNYDER,

Private, Company D, 150th M. G. B.

Private Snyder won the Distinguished Service Cross for conspicuous bravery in action near Reims, France, July 15, 1918. After all the other members of his detachment had become casualties while defending a position in front of an infantry company, Private Snyder continued to operate a machine gun alone against an attacking party of Prussian Guards, and succeeded in driving them off. He then returned to our lines, attempting to carry back his wounded comrade with him, until he was himself wounded. Private Snyder's home is with his mother, Mrs. Kate Snyder, 1237 Cotton street, Reading, Pa.

WILLIAM SAWELSON,

Sergeant, Company M, 312th Infantry.

Sergt. Sawelson, whose home was at Harrison, N. J., was killed while seeking to aid a wounded comrade at Grand-Pre, France, October 26, 1918. He was awarded the Distinguished Service Cross. Hearing a wounded man in a shell hole some distance away calling for water, Sergt. Sawelson, upon his own initiative, left shelter and crawled through heavy machine gun fire to where the man lay, giving him what water he had in his canteen. He then went back to his own shell hole, obtained more water and was returning to the wounded man, when he was killed by a machine gun bullet.

ANIELLO SPAMANATO,

Private, Company L, 357th Infantry.

Private Spamanato was decorated for conspicuous gallantry in action near Montfaucon, France, October 25, 1918. Private Spamanato was on patrol with three other soldiers when they were fired upon by a hostile machine gun fifty yards in advance of the line. After several hand grenades had been thrown at the machine gun nest, one of the crew was seen crawling away. Private Spamanato killed this man with his rifle and then rushed the nest alone, capturing the gun and the three surviving members of the crew, two others having been killed by the grenades. Private Spamanato's wife lives in Semille province, Caserte, Italy.

HENRY S. BOGAN,

Sergeant, 78th Co., Sixth Regiment, U. S. M. C.

For extraordinary heroism in action near Blanc Mont, France, October 3, 1918, Sergt. Bogan was awarded a Bar, to be worn with the Distinguished Service Cross that had previously been awarded to him. During the attack on Blanc Mont, Sergt. Bogan, without aid, captured three machine gun nests, and after being wounded took thirty prisoners. He himself escorted these prisoners to the rear rather than have the line weakened by taking men for this duty. His home is with his mother, Mrs. Sallie Bogan, Franklin, Ky.

JOHN H. PRUITT,

Corporal, 78th Company, 6th Regiment, U. S. M. C.

Corp. Pruitt, whose home was with his mother, Mrs. Belle Pruitt, Ray, Ariz., was decorated for conspicuous gallantry in action with the enemy at Blanc Mont Ridge, France, October 3, 1918. Corp. Pruitt, single-handed, attacked two machine guns, capturing them and killing two of the enemy. He then captured forty prisoners in a dugout near by. This gallant soldier was killed soon afterward by shell fire while he was sniping the enemy.

JAMES EARNEST KARNES,

Sergeant, Company D, 117th Infantry.

Sergt. Karnes, whose home is with his mother, Mrs. Emily Karnes, 2501 North Broadway, Knoxville, Tenn., was decorated for extraordinary heroism in action near Estrees, France, October 8, 1918. During an advance, Sergt. Karnes' company was held up by a machine gun, which was enfilading the lines. Accompanied by another member of his company, he advanced against this position and succeeded in reducing the nest by killing three and capturing seven of the enemy and their guns.

Is God Your Friend? Then Visit His Home. Go to Church.

WATCH the long line of people entering church on Sunday. Isn't it a fact that they are really the worth while people in the community? If you are a business man, don't you prefer dealing with a man who is a CONSISTENT CHURCHGOER rather than with a man who never goes to church? You wouldn't hesitate to INVITE ANY AND ALL OF THESE PEOPLE entering church to your home.

A MAN WHO GOES TO CHURCH CAN NOT GO WRONG VERY LONG. A COMMON EXPRESSION IS THAT SOME PEOPLE GO TO CHURCH TO KEEP UP APPEARANCES.

THAT MAY BE TRUE. BUT THE FACT THAT A MAN WANTS THE COMMUNITY IN WHICH HE LIVES TO THINK THAT HE IS GOOD AND GOD FEARING SHOWS THAT HE WANTS TO BE GOOD. HE WANTS TO ENJOY THE RESPECT OF HIS FELLOWS. WHILE THERE MAY BE SOME HYPOCRITES IN THE CHURCH, IT IS NO EXAGGERATION TO STATE THAT THE GREAT MAJORITY OF CHURCHGOERS ARE HONEST, UPRIGHT CITIZENS.

There is something basically wrong with a man who, while professing a belief in a Supreme Being, fails to take the opportunity the church affords to WORSHIP THAT SUPREME BEING. If you have a dear friend and you pass his house every day without dropping in to see him, you would not blame that man for DOUBTING THE SINCERITY of your friendship.

Do you wish God to DOUBT YOUR FRIENDSHIP? Do you want to LOSE HIM AS A FRIEND. If you don't, drop into his house AT LEAST ONCE A WEEK.

Show that you are sincere in your belief in God by GOING TO CHURCH next Sunday.

THEN GO TO CHURCH EVERY SUNDAY.

HYDRO-ELECTRIC PLANT FOR PETERSBURG

The town of Petersburg is working on the proposition of a municipal hydro-electric power plant. It is estimated that it will cost \$40,000 to install the first unit of the power project and to provide for the delivery of the power to the city. The plan includes a dam 10 feet high and 120 feet in length at Five Mile creek where a power station is to be installed. Towers will be provided for swinging transmission lines across Wrangell Narrows.

It is planned to form a corporation, the stock to be held by the members of the town council. This company is to issue bonds to the amount of \$40,000 secured by a first mortgage on the plant, to provide for the cost of building the plant. Later, these bonds will be taken over by city bonds at such time as Congress will grant permission for the city to bond itself.

The Citizens of Petersburg who are subscribing for stock in the power plant are doing so with the express purpose and understanding that it is for the benefit and use of the Town of Petersburg and not for their own personal gain and benefit, and that they shall derive no benefit whatever from being a stockholder, and that they will transfer and assign their respective shares of stock in said company to the Town of Petersburg as soon as said town shall have become legally and financially qualified to do so.

The Petersburg Town Council estimates that the income from a 15-horse-power plant for Petersburg would be as follows:

| | |
|------------------------|----------------------|
| 60 h. p. for lighting, | |
| 6 hours per day; | |
| 10c per k. w. | \$8,760 year |
| 30 h. p. small motors, | |
| 6 hours day; 5c | |
| k. w. | 3,650 year |
| 45 h. p. cold storage, | |
| 24 hours day; 4c | |

| Total | \$22,922 year |

Joseph H. Ibach, the Middleton fox farmer, recently received a cablegram from London informing him that the 25 blue fox pelts sent to that city brought \$250 each. Mr. Ibach shipped 100 pelts to New York for which he received but \$100 apiece and in consequence lost \$7,500 by the transaction.

The Frank H. Madden of Pt. Warde was in port yesterday. During the past week she visited Juneau, Port Walter, Tenakee and other ports.

Mrs. G. K. Oakes and Stanton Crawford arrived on the City of Seattle yesterday from Everett, Washington. Mrs. Oakes is the mother of Mrs. Charles Olson while Stanton Crawford is her son.

Wm. Berwin Eewis, the man who fell overboard from the Admiral Evans while she was in port on Tuesday of last week, died at the Wrangell hotel Monday night. Mr. Lewis was a member of the crew on the Evans. He was about 24 years of age. It was understood that his home was in San Francisco, but all efforts to get in touch with his people have failed, and interment will be made in the Wrangell cemetery today.

The Riply Fish company shipped 31 boxes of fish on the Jefferson and 15 boxes on the Evans. Agent Berg states that he has a big shipment awaiting the City of Seattle which is expected to sail south Saturday.

Ed Petersen of Petersburg was drowned near the head of the bay Monday night. The verdict of the coroner's jury was that Petersen came to his death by accident. The body will be shipped to Petersburg on the Jefferson tomorrow.

The Columbia & Northern shipped 27 boxes of fresh fish to Seattle on the Admiral Evans which sailed south Sunday afternoon.

Memorial Committee Petitions Government to Provide Tablets to Mark the Graves of the Soldier Dead of Wrangell

A meeting of the Memorial Day committee was held at the City Hall on last Thursday evening.

The sub-committee charged with identification of the graves of soldier and sailor dead reported as follows:

Marked with headstones: McKinnon, Brown, Clark and Trimble.

Unmarked: Soldiers—McClintock, Megilligan, Parker, Ardall and five unknown.

Sailors—James Doran.

With the purpose of permanently marking all such graves in the local cemetery, the following communication was signed by all members of the committee and ordered forwarded to Washington, D. C.

Wrangell, Alaska,
May 31, 1919.

The Hon. The Representative from Alaska,
Washington, D. C.

Sir:

The undersigned, committee in charge of the Memorial Day program for the Town of Wrangell, May 30th, 1919, respectfully submit the following statement and bespeak your aid toward securing the erection of permanent tablets for marking the graves of soldiers and sailors of the United States who lie in our local cemetery.

All sources of information have been drained in the effort to ascertain names and branch of service of the deceased, and we feel the details, meagre though they may be found, are all that are now or will become available. Under such conditions we feel that "Unknown" headstones should mark certain of these graves as they do in large eastern cemeteries. May we not ask that you use your best endeavors to have the proper department of the Government manufacture, engrave and forward headstones with bases which will permanently mark the graves of the Soldier and Sailor dead of Wrangell. Thanking you in advance, we remain, Sir,

Yours Respectfully,

F. E. Bronson.

Chairman.

Mrs. Sadie E. Pritchett,
Mrs. W. W. McLaughlin,
Mrs. Oscar Carlson,
Rev. H. P. Corser,
H. D. Campbell,
J. G. Grant,
L. M. Churchill.

Upon motion Mr. G. W. Upshaw of the Bank of Alaska was designated custodian of this residue, with the request that same be applied upon the expense of placing the headstones which the Government has been asked to supply.

Meeting then adjourned subject to call of the chair.
